

WEEK FOUR

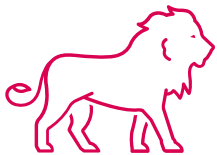

Book of Daniel

CHAPTER 4

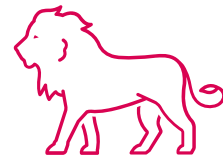

Talk with you family about Daniel 4 and then specifically read Daniel 4:37. What does this verse tell us about God?

Nebuchadnezzar learns to replace his pride with praise but it was a hard lesson for him to learn! Is there a time when you showed pride instead of praising God?

Family Challenge

Every night at dinner, have each person in your family say one thing they can praise God for.
