

# Confession [Lyrics]

[The Jesus Way] by Daesha Cummings, Joel Buckner, Josh Coad, Mark Alan Schoolmeesters

## Verse 1

Frail and broken  
Blind to what You've spoken  
This is my confession

I am guilty  
Complicit in the action  
This is my confession

## Pre-chorus

But you've accepted me  
Despite the things I've done  
You've acknowledged me  
As righteous & beloved

## Chorus

My confession  
Lord change me  
My confession  
Lord make me more like You  
Lord make me more like You

## Verse 2

I am rude and heartless  
Speaking words that harm love  
This is my confession

Proud and selfish  
Consumed with how I finish  
This is my confession

## Bridge

Grow in me love and peace  
And a joy that won't cease  
Grow in me faith and kindness and goodness

## Bridge 2

Grow in me gentle speech  
Grow in me long suffering  
& the courage to die to myself  
This is my confession  
This is my confession

## Chorus2

My confession Lord change me  
My confession Lord make me  
My confession Lord change me  
My confession  
Lord make me more like You  
Lord make me more like You  
Lord make me more like You
