Verse

Deep deep well
Deep deep water
Deep deep well
Never runs dry

Stir the deep deep well
Stir the deep deep water
Stir the deep deep well
Never runs dry

Chorus

Come now everybody Come now everyone
There's a new beginning from an ancient song
There are greater things we have yet to see
There's a deep deep water washing over me

Bridge (x4)

Rush in, rush out
Pour in, pour out
Flow in, flow out
We receive the living water

Verse 2

We are everybody
We are everyone
We are sons & daughters of an ancient song
And this living water that You give to me
Becomes a deep deep well flowing out of me
