## Verse 1

You're the God who is working all for good  
(But) What I feel doesn't line up like it should

## Misc 1

### (Pre-Chorus)

How do I sing  
How do I turn my heart toward praise

## Chorus 1

I fall into kindness  
I cannot explain  
In all of the waiting  
In every prayer I've prayed  
I fall into kindness  
I'm choosing to trust  
Here where You meet me  
You're with me You're with me  
Here's where You meet me  
You're with me still

## Verse 2

You're the God who brings dead things back to life  
So then why does my miracle still die
