

Fall Into Kindness

INTRO

D | G | D | A

VERSE 1

You're the God who is working all for good
(But) What I feel doesn't line up like it should

PRECHORUS

How do I sing?
How do I turn my heart toward praise?

CHORUS

I fall into kindness
I cannot explain
In all of the waiting
In every prayer I've prayed
I fall into kindness
I'm choosing to trust
Here where You meet me
You're with me, You're with me
Here's where You meet me
You're with me still

VERSE 2

You're the God who brings dead things back to life
So then why does my miracle still die

Here's where You meet me
You're with me still
