Verse 1

Fleeting time, wasted days
I will keep my heart engaged
Shifting ground, waves of change
Your Kingdom now is taking shape
Your Kingdom's taking shape

Chorus

Temporary seasons
Giving birth to meaning
Spirit you are making all things new
Ordinary stories
You're making way for glory
Spirit you are making us like you
You're making us like You
You're making us like You

Verse 2

Through the strain of cycled ache
Still we choose to run the race
Guided strides, day by day
Walking in the Jesus way
Walking in the Jesus way

Bridge

Christ in us
The hope of glory
We will follow you

The riches of
This mystery
Will be revealed in You
