

Never Walk Alone [Lyrics, 70 bpm, 4/4]

[The Jesus Way] by Carolina Soto, Chris Douglas, Mark Alan Schoolmeesters

Verse 1

Pray a brave prayer you feel deep in your chest
Take a deep breath and lean into what's next
When the questions rise and the answers cheap
And the pain runs deep I need help to see

Chorus

I've never walked alone through every season
I've never been alone on lonely roads
In every up and down You're the one I cling to
This I know I never walk alone

Verse 2

I see the blank stares my heart starts to drift
In the panic I will keep my eyes fixed
When the nights are hard and the air turns cold
Help me not lose heart cause this I know

Bridge

So pure, so sweet
You are what I need
