Intro

VERSE 1

It's in the kindness of another
Who takes the time to meet a need
It's a decency that's not in me
So let my action match belief

CHORUS

This is where I find You
In the ordinary
This is where You meet me
In the ordinary

VERSE 2

Every moment holds potential
To be more than wasted time
Every person bears a glimpse of Your image
Worth that I fail to ascribe

BRIDGE

Let me see beauty that's all around me
Unlocking the intricacy
To see things from Your perspective
Revealing Your masterpiece
Open up these eyes
Open up these eyes **x2**

CHORUS 2

Open up these eyes to see
In the ordinary
Open up these eyes to see
In the ordinary
Open up these eyes
This is where I find You
In the ordinary
