Verse

I still believe, I still believe that You are able
Your promise true, Your Word is spoken over me

Even in the waiting, even in the waiting
I will not fear, I will not fear
Even in the battle, even battle
I will not fear, I will not fear

Verse 2

I rest assured, I rest assured You've never failed me
My hope's secure, I'm anchored to Your will and way

Instrumental

Bridge

It's Your peace that leads me through the darkest valley
You've never failed You won't start now
In times of need Your joy's my ever present strength
You've never failed You won't start now
