## Verse 1

Time and time again You've proven faithful  
From beginning to the end You never fail

Where would I be without Your grace  
Where would I be without Your love  
Where would I be without Your grace  
Where would I be without Your love

## Verse 2

In all your promises You've never forsaken  
In all my weaknesses You're stronger still

## Bridge

You have claimed all that's lost and broken  
You have breathed every dry bone back to life  
By Your grace you have called me righteous  
By Your love you have brought me into light
