## **LOVE: Undistracted** February 20, 2022

**Speaker:** Bob Goff

**Scripture:** Mark 10:51

### **Sermon Overview**

Bob's inspiring and entertaining stories show us what it looks like to live a beautiful and purposeful life rather than drifting aimlessly from one season to the next. He encourages us to fix our eyes on Jesus and harness life's distractions so we can find joy despite our circumstances.

### **Sermon Series Questions:**

1. Take inventory of your love relationship with the Lord. Does it need a revival? What is distracting you from giving your full attention and affection to God?
2. What are the practices you are using to rekindle or sustain a REVIVAL of LOVE in your relationship with God?

### **Sermon Specific Questions:**

1. What are you living in anticipation for? Heb 11:1 says, "Now faith is confidence in what we hope for..." Do you have confidence in what you're hoping for? If not, why?
2. What areas are you living "distracted" by all that is going on around you, and where are you forgetting what God is doing in you?
3. How can you stay on course focusing on Jesus?

4. We need more people who “stand with us.” Who is that person in your life? What are some ways you can better practice learning to stand with others? Who needs you to stand by them today?
5. What does the Spirit need to resize in your life?
6. What would your life look like if you woke up to the possibilities God has for you and you dove deeper into Christ-centered community?
